6 CERTIFICATION

I certify that neither I nor any individual will receive any material benefit from the charitable organization as a result of this grant. If any material benefit or privilege is offered in connection with this charitable disbursement, I have not and will not accept it. I understand and acknowledge that I cannot claim a charitable deduction for grants I've recommended, even if the grantee sends me a receipt. If committee advised, I attest the advisory committee has reviewed and approved the above recommended recipient and amount for the purpose specified.

I understand and acknowledge that a grant must directly and fully support a charitable program and I **will not** submit a recommendation intended to:

- Fulfill a pledge I have made
- Benefit myself or any specific individual or benefit an entity in which I hold 35% or more controlling interest
- Support political campaigns or lobbying activities
- Provide a personal benefit. Example: Pay in whole or part for tickets to museums, sporting events, galas; goods at auctions, tangible religious benefits, school tuition or other benefits that would reduce the charitable deduction.

I understand that grant recommendations are subject to the review and approval of California Community Foundation and grants must comply with the policies detailed in California Community Foundation's [Charitable Fund Guidelines](#). I understand that this is a recommendation and not a direction and CCF will perform the necessary due diligence of the charitable organization to ensure compliance with federal regulations.
