WHAT IS A FIELD OF INTEREST FUND?
A Field of Interest Fund (FOI) supports a specific area of “interest” that you define. You identify an area of charitable interest — as broad or narrow as you choose — and CCF evaluates organizations that do the best work in the interest area and then makes grants to the organization(s) that best fit your interest.

WHO SHOULD CONSIDER ESTABLISHING A FIELD OF INTEREST FUND?
Donors who wish to make an impact in a specific area of interest but do not want to select a specific organization. This fund may also be ideal for those who wish to rely on CCF’s expertise to make grants in their designated area of interest, as they need only to select their field of interest and CCF takes care of the rest. This fund is an excellent option for donors who wish to leave a legacy through an estate gift or bequest.

WHAT ARE THE BENEFITS OF A FIELD OF INTEREST FUND?
- A low-cost, efficient giving vehicle that is easy to establish and virtually effortless to maintain
- A straightforward, simple way to give through CCF
- The board of directors determines an appropriate spending policy to protect longevity
- You can give complex or unusual assets at fair market value (e.g., real estate, closely-held stock)
- Opportunity to name the fund after you or in honor of a family member, a friend or an organization (e.g., the Maria Martinez Family Foundation)
- Ability to grant anonymously
- Ability to incorporate family into charitable planning
- Ability to create a legacy

HOW DOES THE FIELD OF INTEREST FUND WORK?
1. Donor establishes the fund with an initial contribution and selects the field of interest he or she would like to support.
2. CCF board of directors and expert program staff identify organizations in donor’s selected field of interest where the money will have the greatest impact and make grants.
WHAT ARE THE TAX ADVANTAGES OF A FIELD OF INTEREST FUND?

- Receive the maximum tax deduction available in the year the contribution is made
- Reduce estate taxes with testamentary gifts
- Avoid costly capital gains taxes while realizing the maximum tax deductibility of your donation with a gift of appreciated stock or other complex assets

CONSIDERATIONS

With Field of Interest Funds, you define the parameters of the field of interest, and then rely on CCF’s expertise to make grants. Once you make your contribution to a Field of Interest Fund, the contributions are pooled together with contributions from other like-minded donors and granted out by CCF’s board of directors in the area(s) of interest the donor has selected.

WHAT ARE THE MINIMUMS AND FEES?

A Field of Interest Fund may be opened with as little as $25,000, and additional contributions can be made at any time thereafter.

Administrative fees are 1 percent, assessed annually on July 1. Investment management and consulting fees related to the foundation’s investment pools are charged separately. Additional fees may be charged for any mutually agreed-upon extraordinary legal, banking or other services rendered on behalf of a fund. Contact CCF for more information about calculating administrative fees.

If you would like to support specific organizations of your choosing, we recommend a restricted fund.
